Science Family Brag Sheet

Dear families of 6th Grade Science Students,

My name is Mr. Witsil, and I am your child's Science teacher this year. Because you know your child better than anybody, I want to give you the chance to BRAG! Please fill out the following survey and send it in to school in the envelope. Please seal the envelope before you give it to your child. I know that you have many forms to fill out, so please feel free to return this brag sheet anytime. My hope is to reveal your fond thoughts and memories throughout the year. So, we want it to be a secret for now. By providing this information, you will help me support and motivate your child all year long. Thank you, and I am honored to be working with your child.

Sincerely,

Dan Witsil
